

REMARKS

The claim amendment above only corrects a typographical error introduced in the version of claim 4 set forth in the Examiner's amendment, i.e. by changing "6the" to just "the" in the last line of claim 4. Otherwise, claim 4 should correspond to the version as amended by the Examiner. The other claims have not been amended above. Since the amendment is directed only to a matter of form and does not raise any substantive issues, entry after allowance should be proper at this time. Entry of the amendment and issuance of the patent based on the listing of claims above is earnestly solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
